

# JLM Instant Shine

## 750ml

*A Perfect Shine, Instantly.*

JLM Instant Shine offers a fast, effective way to clean and refresh your vehicle's exterior between washes. Made from environmentally friendly ingredients and free from solvents, this spray-on solution effortlessly removes light dust, smudges, and fingerprints—leaving behind a high-gloss, ultra-smooth finish

Perfect for workshops, detailing professionals, and drivers who want showroom shine in minutes, JLM Quick Detailer is safe for all paint types and ideal for daily touch-ups.

### Benefits

- **Fast, streak-free shine**
- **Solvent-free and eco-friendly**
- **Boosts gloss and smoothness**
- **Safe on all exterior surfaces**
- **Ideal for quick touch-ups**

JLM Instant Shine provides fast, streak-free cleaning by effortlessly removing dust, dirt, and fingerprints in seconds, without the need for water or a full wash. It is ideal for quick maintenance, in-between cleans, or last-minute touch-ups when time is limited but a perfect finish is required.

Formulated with environmentally responsible raw materials, this 100% solvent-free product is safe for both your vehicle and the planet.

Beyond cleaning, JLM Instant Shine enhances gloss and leaves a silky-smooth finish with minimal effort. It restores a mirror-like shine, making it perfect for maintaining that freshly detailed shine between washes.

The gentle yet versatile formula is safe for use on all exterior surfaces, including paintwork, plastic, and chrome. It will not strip existing waxes or coatings, it just boosts gloss and cleanliness.

With JLM Instant Shine, you get more than just a clean surface, you restore gloss, protect your finish, all while respecting the environment.

**Recommended for:** fast, streak-free cleaning and gloss enhancement of all exterior surfaces between washes, ideal for professional detailers, workshops, and car enthusiasts

### How to use

1. Ensure the vehicle surface is cool and free from heavy dirt.
2. Shake the bottle well.
3. Spray directly onto the surface or a clean, dry microfibre cloth.
4. Wipe gently to remove dust, fingerprints, and smudges.
5. For added shine, buff with a second dry microfibre cloth.
