

JLM Bug-Off

750ml

Bug splatter off, Shine on.

JLM Bug Off is a ready-to-use gel cleaner specially developed to dissolve stubborn insect remains before they damage your vehicle's paintwork. Its advanced gel formula clings to vertical surfaces, softening and breaking down even baked-on bugs without harming paint, plastic, glass or existing sealants.

Ideal for summer road trips and post-motorway clean-ups, JLM Bug Off ensures a spotless finish without scrubbing—leaving no streaks or residue behind.

Benefits

- Dissolves dried-on insect residue
- Gel clings to vertical surfaces
- Safe on paint, glass, plastic & chrome
- Won't strip wax or coatings
- Leaves a clean, streak-free finish

JLM Bug Off is a fast and effective solution for removing stubborn insect residue from your vehicle's exterior. The powerful, ready-to-use gel formula quickly loosens and dissolves dried-on bug splatter while clinging to the surface for maximum dwell time and improved cleaning performance. Safe to use on all exterior surfaces, including paintwork, plastic, chrome, and glass, it won't compromise waxes or sealants. The formula leaves a perfectly clean, shiny finish with no streaks, hazing, or residue. Fast, safe, and streak-free, JLM Bug Off makes light work of even the toughest stubborn bug splatter just spray, wait, wipe, and rinse. A must-have in any summer car care kit.

Recommended for: Quick and easy bug removal on all vehicles.

How to use:

1. Park in the shade and let the car cool.
2. Spray on affected areas (bumper, grille, mirrors).
3. Let it sit for 30 seconds to 2 minutes.
4. Wipe or rinse off with a soft cloth or water.
5. Re-wax treated areas if needed
