

JLM Performance Glass Cleaner

750ml

Where performance meets visibility.

JLM Performance Glass Cleaner is a powerful, streak-free cleaner designed to tackle dirt, smears, and insect residue on all vehicle glass surfaces. Its unique gel formulation clings to glass without dripping, allowing for precise, mess-free application and longer dwell time. Whether you're cleaning windscreens, mirrors, or interior glass, this high-performance gel delivers a crystal-clear finish every time.

Developed for professional detailers and demanding drivers who require spotless visibility day and night, JLM Performance Glass Cleaner delivers exceptional results on windscreens and mirrors. Its powerful formula removes grime, dust, fingerprints, and insect residues effortlessly, leaving no streaks or residue behind—only perfectly clear glass.

Benefits

- No streaks
- Gel formula
- Powerful cleaning
- Safe on all glass
- Easy to use

The advanced gel formula clings to the surface, preventing dripping and rapid evaporation. This allows for greater control during application and makes cleaning easier and more precise. Easily lifts dirt, fingerprints, and insect remains, restoring clarity to windscreens and mirrors.

Safe for use on all vehicle glass, both interior and exterior, including tinted windows, JLM Performance Glass Cleaner meets professional standards in every detail. The result is clearer glass and safer driving. That is the JLM Finish: see the road ahead, not the smears.

Recommended for: Professional detailers and drivers who demand absolute clarity.

How to use

- 1.Prepare: Make sure the glass is cool and dry.
- 2.Apply: Spray the gel directly on the glass or onto a microfiber cloth.
- 3.Clean: Wipe away dirt and residue with the cloth.
- 4.Buff: Use a dry cloth for a streak-free shine.
- 5.Repeat: For tough spots, repeat as needed.
