

JLM Performance Pre Cleaner

750ml

The smart start to every wash.

JLM Performance Pre Cleaner is a professional-grade pre-wash gel designed to tackle stubborn dirt, insect residue, tar, and other impurities before the main vehicle wash. Its thick, ready-to-use formula clings to the surface, penetrating deep into contaminants to make rinsing faster and more effective.

Perfect for workshops and car enthusiasts alike, it prepares your vehicle for a flawless, streak-free finish while protecting the paintwork from scratching.

Benefits

- High-performance formula
- Ready to use
- Surface safe
- Pre-wash essential
- Advanced gel technology

JLM Performance Pre Cleaner is a powerful gel-based formula that dissolves stubborn grime such as tar, insect remains, and road dirt, making it easy to rinse away and leaving the vehicle surface cleaner and better prepared for the main wash. Despite its strong cleaning performance, the product is gentle and safe to use on all exterior surfaces, including paintwork, glass, plastics, and trim, delivering professional-level results without the risk of damage.

The pre-cleaner is ready to use and requires no dilution. Simply spray it directly onto the vehicle, where the thick gel formula clings to surfaces longer than standard sprays, allowing deeper penetration into dirt and contamination for optimal cleaning results. By loosening stubborn contaminants before washing, JLM Performance Pre Cleaner helps prevent scratching, improves wash efficiency, and contributes to a streak-free, polished finish. It can be used in all conditions, although for best results application in the shade is recommended to prevent the gel from drying too quickly.

Recommended for: pre-wash cleaning of all exterior vehicle surfaces to safely remove stubborn dirt and contamination before washing.

How to use

1. Spray the gel evenly across the dry vehicle surface using a pump sprayer or foam lance
2. Let it work Leave for 2-3 minutes to break down dirt.
3. Rinse off Wash away with a pressure washer or strong water stream.
4. Finish Follow with your regular car wash for a perfect shine
