

# JLM Screen RainGuard

## 100ml

*Vision On, Limits Off.*

JLM Screen Rainguard is a professional-grade windscreen treatment that combines powerful cleaning performance with advanced water-repellent technology. Designed for all types of glass and vehicle windscreen systems, it removes dirt, insect residue, and road grime while leaving behind a durable hydrophobic layer. With water beading and rolling effortlessly off the glass, visibility in rain is dramatically improved, enhancing both safety

JLM Screen Rainguard is designed to deliver optimum visibility and safety in all weather conditions. Its advanced super-hydrophobic formula causes rainwater to bead instantly and glide off the windscreen, reducing the need for wiper use and significantly improving visibility in wet conditions. In addition to its water-repellent properties, JLM Screen Rainguard thoroughly cleans the glass by effectively removing dirt, grime, and insect residue, leaving a crystal-clear, smear-free finish.

### Benefits

- Enhanced protection
- Sealant care
- Deep cleaning
- Easy to mix

The formula is safe for use on all vehicle surfaces, including glass, plastics, paintwork, and rubber seals. At the same time, it helps reduce wiper blade wear and prevents new contaminants from adhering quickly to the windscreen. Thanks to its concentrated composition, the product can be diluted to the desired strength and added directly to the washer fluid reservoir. A small amount provides long-lasting protection, making JLM Screen Rainguard a cost-effective, year-round solution.

By improving optical clarity and repelling rainwater, JLM Screen Rainguard JLM Screen Rainguard enhances driver reaction times and reduces visual strain. This enhances overall safety during everyday journeys as well as long-distance trips, especially in poor weather or low-light conditions.

**Recommended for:** drivers who want maximum visibility, enhanced safety, and a crystal-clear, water-repellent windscreen in all weather conditions.

### How to use:

1. Pour the entire bottle into a full windshield washer reservoir.
2. The additive mixes instantly with the washer fluid.
3. Enhances cleaning power and boosts water beading on glass.
4. Ensures clear visibility in all weather conditions.

## PRODUCT INFORMATION

Art. Nr;	J08070	Barcode ;	8718274358520
Hs Code ;	34029090	Ufi Code ;	-
Pack Size ;	100ml	Quantity in box ;	45
Flash Point °C ;		Boiling Point °C ;	
Colour ;	Yellow	Density at 20 g/cm³ C°;
